## **Bells Farm Primary School Sports Premium Statement 2015-16**

With the Governments renewed commitment to improve the quality of and opportunities for PE and sport in schools through the Sports Premium, Bells Farm has been allocated £8585.00 for this academic year.

### **Rationale**

This spending plan is aimed at ensuring that quality first teaching is at the forefront of the drive to improve sports provision at Bells Farm.

### **We plan to use the sport premium to meet these objectives:**

- Further improve the provision of PE & School Sport at Bells Farm
- To achieve self-sustaining improvement in the quality of PE and sport at Bells Farm
- Broaden the sporting opportunities and experiences available to pupils.
- To develop a passion for sport and physical activity.
- To provide opportunities which will attract less-active pupils to participate in physical activity

### **In addition funding will be made available to: .**

- Fund curriculum and extra-curricular opportunities so that children become more actively engaged in school life
- Providing resources to enable equality of opportunity.

After the success of last year's funding and in line with the Government's priorities for the funding; an improvement in the quality of physical education and physical literacy and an increase in participation levels in competitive sport, Bells Farm has allocated the funding for this year as follows:
